What a beautiful fall day to attend an all *Corvette* car show. Garry Hersman, one of our newest club member, texted Dave Kinsey to see if anyone was going to go on Sunday to the *Smithville Corvette Rendezvous Corvette Show* that was being hosted by the *Original Garden State Corvette Club*, one of our premier Corvette Clubs in the area. After their

conversation, it was decided that Garry would meet Dave at his residence which was located about a mile and a half from the show and then proceed to the show. As it turned out, we met more of our members at the show: Bob Aussenberg, Dave Repici, and Randy Camp. So we wound up with 5 of our members at the show. Below and on the next few pages is a glimpse of what we saw besides having a great time of just being together, having a coffee break and snack before checking out all of the 250-300 *Corvettes* that were on display.
