# PHOTO OP!

On a beautiful Saturday morning, club members met at Wawa in Millville, NJ on June 1, 2024 and caravanned to the Naval Air Station in Cape May County Airport, 500 Forrestal Rd., Lower Township, NJ for a long awaited Photo Shoot of our members and their *Corvettes*. We also had breakfast, and a tour at the Naval Air Station.

We thank Ted & Cookie Trembley for being our Wagon Masters who led the way to our destination. The club appreciates Dave Repici our club Vice President for organizing this event after numerous delays due to inclement weather.

Those who joined us for this trip were:  
Dave & Cheryl Repici, Frank Pillsbury and his daughter, Butch Pierce, Ted and Cookie Trembley, John & Beverly Taormino, Dave Kinsey, Ron & Cindy Ostenbridge, Mark & Lisa Adams, and Garry Hersman. Members also had the option to check out the Gentilini Family Car Show which is located in nearby Woodbine, NJ.
